NEW 2024

The newest addition to Newline universe of solutions, an innovation that's touchless but brimming with impact.

## AUDIOVISUAL EXPERIENCE IN **LARGE FORMAT**

Experience grand-scale brilliance with the Newline DV Series, a Direct View LED All-in-One Display Solution in sizes 120" to 180". The bezel-less LED marvel redefines visual excellence with an ultra-thin frame and advanced 24-bit color processing, delivering unmatched clarity. Seamless installation is ensured with integrated power, speakers, and control systems. Beyond a display, the DV Series transforms content pixel-by-pixel, ensuring flawless, immersive experiences without limits. Elevate your visuals with DV Series, where every moment becomes truly captivating.

### **YOUR GATEWAY TO EFFORTLESS CONTENT CASTING!**

Elevate your content delivery with the cutting-edge capabilities of CAST+. Seamlessly project advertising, presentations, or entertainment content directly to the display, ensuring a visually stunning and immersive experience. Experience the freedom to engage your audience effortlessly, with the power to captivate and connect. Make every interaction impactful!
